subsidy	XII.Expense relevant to credit guarantee and interest
	of soil and groundwater pollution remediation loans.
	XIII.To cover other costs for relevant soil and groundwater pollution remediation approved by the central competent authority of this Act.
Article 5	The safekeeping and utilization of this Fund shall emphasize profitability and safety, and its deposits shall be handled pursuant to the regulations of the Government Treasury Act
and	relevant laws and regulations.
Article 6	The Fund may be used to purchase government bonds, treasury bills, or other short-term papers for the purpose of
increasing	its income.
Article 7	The revenues and expenditures, safekeeping, and utilization
of	the Fund shall establish a Soil and Groundwater Pollution Remediation Fund Management Committee (herein referred to as the Committee). The Committee shall have seventeen (17) to twenty-seven (23) commissioners. There are three ex-officio commissioners nominated by the MOENV, one of whom is the convener, who is concurrently served by the Minister of the MOENV, or his designee; the remaining two, one of whom is

the deputy convener, both are concurrently appointed by the MOENV; the remaining commissioners are appointed from among relevant agencies, experts and scholars. The expert and scholar representatives mentioned in the preceding paragraph shall not be less than two-thirds of the total number of commissioners. The ratio of any gender among the commissioners of the Committee shall not be less than two-fifths of the total number of commissioners. The maximum term of commissioners is two years, and they may be re-appointed upon expiration of their term. They are all unpaid positions. When the positions of representatives of the relevant agencies change, the representatives should be reassigned to fill the original term. When an expert's or scholar's position is vacant, it should be replaced, and the term of the new commissioners shall last until the expiration of the term of the original commissioners.

Article 8 The Committee is in charge of the following matters:  
safekeeping, I. Review of the Fund's revenues and expenditures, and utilization.  
Fund. II. Review of the annual budget and final accounts of the  
utilization. III. Assessment of the implementation of the Fund's  
IV. Other relevant matters.

Article 9 The Committee shall have an executive secretary to manage the affairs and activities of the Committee under the convener's instructions; and shall have a deputy executive secretary and several staff members to run for the affairs and activities of the Committee.

Article 10 The Committee shall hold a meeting of commissioners once every six months. If necessary, an extraordinary meeting may be held. Both types of meetings are convened by the convener. If the convener is unable to attend the meeting of commissioners for any reason, the deputy convener shall act on his behalf. Meetings of the Committee must be attended by more than half of all commissioners. The resolution of the meeting of commissioners shall be adopted by a majority of vote in favor of such resolution in a meeting attended by a majority of the commissioners, or by the chairperson's decision in case of even votes. The commissioner shall personally attend the meeting of commissioners mentioned in the preceding paragraph and shall not appoint an agents. However, a commissioner who is concurrently serving as an agency representative is unable

	to she the	attend the meeting of commissioners for any reason. He or may appoint a representative to attend the meeting by proxy, and the representative appointed shall be eligible to get stand and vote. Before the Committee meeting, the executive secretary of the Committee may invite external members to hold a consultation meeting on the tasks of the Committee. If necessary, and depending on the needs of the topic, the executive secretary may also invite any relevant units, persons, experts and/or scholars to be present at the meeting of commissioners.
	Article 11	The composition and execution of budgets and the preparation offinancial statements related to the Fund shall be handledpursuant to the regulations of the Budget Act, Accounting Act,Financial Statement Act, Audit Act and other relevant laws andregulations.
	Article 12	The Fund's accounting affairs shall be handled in accordancewith the regulation-determined accounting system.
	Article 13	At the end of each fiscal year, any surplus in the Fund's final accounts shall be accumulated or paid to the National Treasury according to statutory requirements.
	Article 14	When the Fund is terminated, it shall be liquidated and itsresidual equity shall be transferred to the National Treasury.
	Article 15	These Regulations shall take effect on the date of promulgation.
